

Sharing memories and telling stories of a special life

Saying Goodbye

It's never easy, but saying goodbye is a natural and healthy part of the grieving process.

At our funeral home, this can take place in a number of ways. From a more traditional ceremony joined by family and friends, to a private, meaningful service with your immediate family.

Regardless of how you want to say goodbye, our professional staff is ready to serve.

Sharing the Story

A caring parent, a lifelong friend - every life tells a story.

Our team will help you share that story in a unique and appropriate way. We believe in celebrating the life of the individual by recognizing how they touched the lives of others. This is the story that we all have to share.

Choosing a Final Resting Place

Following the service and the cremation process, there are several options for choosing a peaceful, final resting place, including:

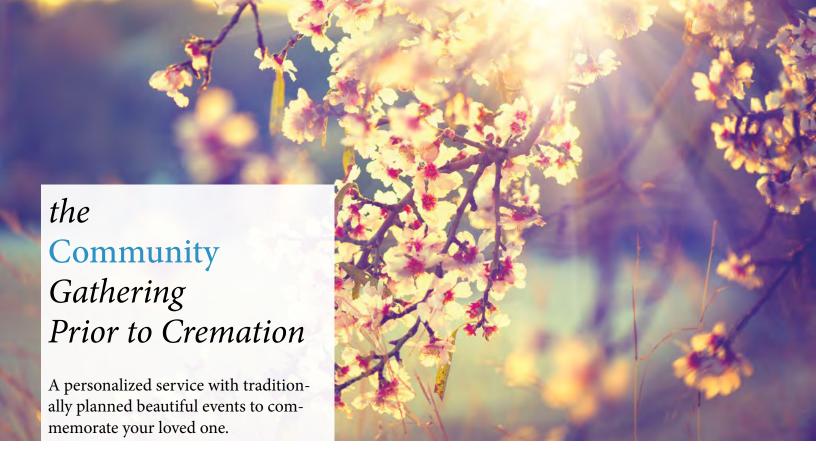

- Home Keeping in your private residence
- Niche Designated place in a church or mausoleum
- B Burial Traditional placement in a cemetery
- Scattering Spread in a special location

We uncompromisingly honor your loved one. We take your loved one's personal carbon and grow a beautiful Radiant Diamond™. Together we will embark on a 6-9 month journey turning your loved one's personal carbon into a tangible symbol of love and connection. Carbon can be sourced from your loved one's hair, clothing, stationery, flowers, or cremated remains.

Diamond Journey Process

6-9 MONTH JOURNEY

STEP 1: CULTIVATE

Just as enriched soil nurtures seedlings, we carefully extract and purify carbon from your loved one's cherished items, creating a garden of carbon to grow your diamond.

STEP 2: SEED

Much like planting an ideal seed for a blossoming flower, we carefully embed personal carbon onto a diamond seed.

STEP 3: GROWTH

Like a flower thriving in cultivated soil and sunlight, the seed from your loved one's carbon grows into a Radiant Diamond TM .

STEP 4: SHAPE

The shaping phase, like pruning a flower, carefully guides its form to reveal beauty and promote brilliance.

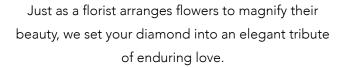

STEP 5: SETTING

VOLD OMALLIANS

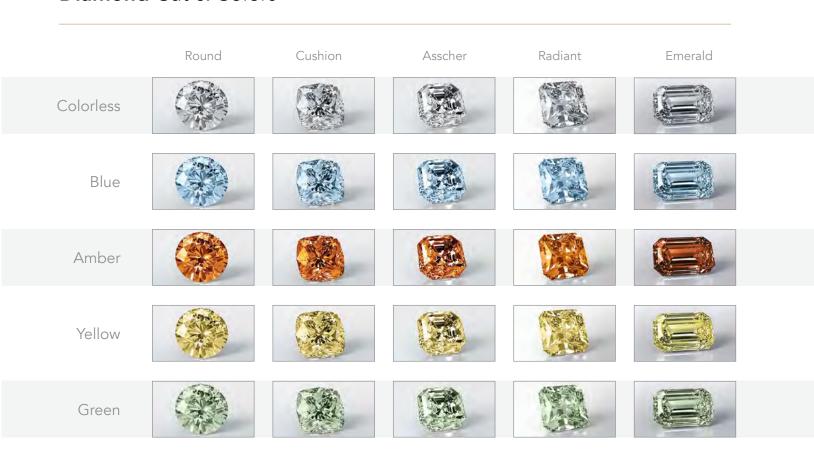

STEP 6: YOUR OWN UNIQUE RADIANCE DIAMOND

Now fully formed, like a flower in full bloom, you can take your loved one with you to make new memories.
